“ So sorry to have heard about Brother Wilkie. I worked in the Education and Training Department with him and found him to be not only well spoken and extremely knowledgeable, but a truly kind and good person. As a fellow tradesman as well, working with Wilkie was truly employable. My family and I feel the sense of loss that you must be having and we will be praying for you. To Allen, I am very sorry, I can't attend at this time due to personal prior commitments. I consider you to be a GREAT friend of mine during our working years and beyond.

Sincerely and with Condolences,

Rick Glasstetter and Family
