“ We are truly sorry to hear of your loss. Our condolences go out to you and your family. Often during difficult times people turn to the bible. Two scriptures that come to mind are Acts 24:15 and Revelations 21:3,4. I hope that these verses are comforting to you.

“ Dear family of Mr.Fleming,
Even though Mr. Fleming lived to be 91 years old you might feel he fullfilled his life. But Adam, the first man, lived 930 years (Genesis 5:5). Why do we die so young? Romans 5:12 in the bible will explain it. But on a comforting note, Christ Jesus will be used my his Father (Jehovah) to restore life to our dear loved ones and they will out-live even Adam with everlasting life. (Psalms 37:29) Reading the Bible will bring you comfort in your time of need. J. Simpson

“ *Uncle Bilbo was a great uncle. He was loved very much and will be missed just as much. My best memory of Uncle Bilbo is when I spent a couple of weeks with him and Aunt Gene during the summer and he took me to church, grocery store, shopping, & visiting, just us two. That is when I realize that he was a great uncle and had much love for family. I am saddened by our loss but I celebrate your homegoing from any more pain and sickness. Rest in Peace Uncle, I love you.*

“ Many times we thought of you & some cried. If love could have saved you, you never would have died.

In life we love you Dearly & in death we love you still. For in our hearts you hold a place, that never can be filled.

It broke our hearts to lose you, but you didn't go alone. For part of us went with you, the day God took you home.

For, we will always remember & love you.
