“ A whole year without U, seems so out of place, I still can't wrap my thought around it, the grill I swore to U I'd get...I got it just b4 the pandemic I was just waitin' to ask U to put it together it's been there in the box it will be 4yrs come Nov. I was so lookin forward to hearing about what was new in your life maybe gettin' a chance to smoke a brisket like we did with the (now old grill) those were good times, U never think that one day.... U might not see somebody ever again. No matter how many times it happens every time it's a blow to my heart, this time's a lil' different this is my first non relative, but so related loss, my head is in a fog my heart aches, my body is numb, I loss the one person who no matter what could fix it, I don't know what happened to you, Wm I just hope I can see U again(I'm so sad)here. Our son is the only reason I function. Miss U so much, Wm 💧

“ LLW, pretty sure stands for Lisa Loves William, if not.... it should, I remember this as if it were last night, so much fun I had this night, "Sherlyn" said y'all R goin to take this picture, she ain't said nothin' but words.. got in position wrapped up by his massive arms U see 'em, about to bust the seams on that poor jacket....(I will miss Wm) Taken me forever to come to terms losing him for the rest of my 'own'life, I remember this pic but it's my first time seeing it, thank U, for this....I wish it was us going down memory lane about the fun we used to have, it's not a good feeling seeing a picture of the best night of your life in remembrance of a life no longer the last time hearing his voice I was riding with Vanessa on the way back from Detroit when her phone rang & it was him on speaker, I listened to his voice for the last time. I didn't get to have a conversation, my goodbye is typed in the ether....Bye Wm jr. (the picture says it all!)
