“ *To the Frost Family,*

You guys have my deepest condolences.

I only had the pleasure of meeting Mr. frost once; however, a testament of a good parent can often be found in their child. Mr. Frost's son is my student and he is certainly a testament to good parenting. He is a wonderful student and young man. He was one of my lab assistants, in which he played a leadership role that called for him to have good grades, integrity, and character, he did well.

God bless you all.

*Love
