Mr. William Devon Miller Johnson, known as "Devon" and "Big Will" to many, was born October 12, 1979 in Flint, Michigan, the son of Lydia Rene James and William George III. William attended Flint Northwestern High School and worked at Genesee Packaging until his health declined. William was devoted father and loved his children fiercely. He was especially close to his loving mother and best friend, Lydia, who raised him to be the kind, loving and thoughtful man he was. William was blessed to have found the love of his life in his fiancé, Tonia Hall, who was devoted to him and cared for him until the very end. William, with his contagious laugh and smile that lit up any room, was a friend and confidant to many. “ *It breaks my heart to learn of Devon’s passage. I only knew of him as a baby and young boy growing up in my childhood neighborhood...the happiest, cutest lil guy...his mother, Rene adoring him and molding him into the loving, respectful man he was.Regretfully I had yet to met you as an adult for from what I learned you were so very charismatic, loyal and real. I wish you perfect, peaceful rest in the bosom of our Heavenly Father. You so deserve to be worry and pain free and most of all free to spread your wings and fly. I pray for the healing of Rene’s heart and all those who were fortunate to know and love him. Paula Latimore*
