“ Kingfish, Fish, Sonny, King a few names I've known Bill by while growing up. We lived in the Rosedale, Ridgeway, Osceola St neighborhood. One of the first things I remember about him was how competitive he was. He didn't want to lose at anything. He was good athlete and excelled in baseball and basketball in high school. he was also knowledgeable about the sports. We grew close growing up from childhood to becoming adults. Through the years we didn't see each other much but I would ask about him, and when we happen to see one another there was always a hug and warm greeting. Time and absence couldn't break the bond of friendship we had. To the family of Bill let the love of our Savior comfort you.

“ *Bill and my father Sam was the BEST of friends. Dad would always mention Bill almost every week that I would come over to be with him and my mom. I would say Dad you and Bill must be real good friends you really think highly of him. Dad could count on Bill and Bill count on Sam, they fished together; were on bowling teams. I called to wish Bill Happy Father's Day and found out he had just came home from the hospital and talked to me and he thanked me for calling and made mentioned of Dad and told me he called Dad his old dawg and that he missed him, hearing that showed me that they truly loved each other like brothers. Bill King as my Dad called him please tell my Dad and Mother hello for me. To the family: I cannot fully express the sorrow I feel for you at this time. I am thinking about you Rose and your family*
