“ I had the pleasure of spending an evening with Dr. Kornegay and his lovely wife, Dorothy, at the home of his neighbors -- and my dear friends -- James and Lillie Dover. What a charming and insightful person he was...we talked about mutual experiences at GM as well as in the academic environment. Dr. Kornegay was one of those special people who endears himself to others almost instantly. Our community is a better place because he was "in" it!
