“ To the Turner Family:

Needless to say, we, the Primm Family, planned to attend the funeral and to take our place as members of the family. Only days after William's passing God saw fit to also take our brother, Robert Primm, and because of the timing of his death and religious requirements it was necessary to have his funeral on Thursday morning, June 15, 2006 also, in Akron, Ohio. It is with regret that it is not humanly possible to attend both funerals. Please accept our regrets and prayers extended to the entire Turner Family.
