“ May the Lord be with Mrs. Ulmer and the family. I worked with William at Fisher #1. We got our 90 days in together. He encouraged me to keep going when I thought I was going to quit. We became good friends. My husband, Charlie, who went to be with the Lord in 2008, also worked with William and played basketball together. I know they are both in a better place. My condolences to the family.

“ Shirley, It is hard to believe how much time has passed since William left us. Just thought about reaching out in a tribute when we talked yesterday, because we were so overwhelmed at that time, I did not think to do it. We will never forget all of the good times we shared with you and William and want you to take comfort in knowing we will always be there for you. You are never alone. God bless you. Much Love, Sheena
