“ *Losing someone we love is nothing easy, but knowing that we have been able to be a part of the life of that person, we can realize that we are blessed to have been able to share in his life before he went to rest in eternal salvation. May fond memories of your (Billy), Mr. Witherspoon bring you comfort during this hard time in your life. Look back on all the good memories you were able to have and smile at the fact that you were able to share these before he passed away. Our hearts and prayers go out to you and your family.*
