“ *I will forever remember Mr. Adams for the Love, care, time and attention that he gave to my boys. He was everything that a Godfather should be. He made sure that they had what they needed and gave them the love of a male role model that they needed. They were always so excited when they knew they were going to see ADAMS. I will forever be grateful to God for placing such wonderful Godparents in the lives of my boys. There lives will forever be blessed because of the time that they had with him. He will always live in the Hearts of the ALLEN FAMILY. Love ya, Ketesa*
