“ God in his infinite wisdom decided to bring a young and innocent soul into this universe, and on July 24, 1944, he embodied that special soul into a little girl named Willie Mae Mendenhall, but was later given the nickname of Pitty.

For 63 years, she walked this earth, bringing joy to family and friends and now, her journey on earth is complete, and her mission has been achieved. Her soul is now in that dimension which is beyond the human sight; it is a dimension where she is resting in the arms of GOD.

He Only Takes The Best

*God saw they were their happiest and
someone would not let that be.
So He put his arms around them and whispered
"Come with Me".*

*With tear filled eyes we watched them,
suffer and fade away. Although we
loved them deeply, We could not
make them stay.*

*A golden heart stopped beating,
hard working hands put to rest.
God broke our hearts to prove to us,
He only takes the best.*

~Author Unknown~

*I know we didn't see much of each other but when we did it's like
our conversations never skipped a beat. I'm going to miss you and
that soft voice especially that gentle smile. I know you're safe in HIS
arms with no more suffering. To the rest of the family, you're in my
thoughts and prayers. I love all of you.*

“ I remember when we first met at the bus station in Pine Hill, Ala when you came home for your dad funeral. Your soft voice and warm smile made me feel like I have known you forever. I love you and miss you, but I know God love you too and want you home with him. The best of what is coming out of the pain the family feel is knowing that the day is going to come when we all will see each other again in heaven. You will and is missed but you will never be forgotten. No more pain, no more sickness, just peace in God's hand.
