“ I would like to take this time to express my deepest symphany to your family. I grew up on Eldridge street and spent many days at the Carradine house. Cheryl and I were friends. I will always remember Mrs. Willie as a very stern person. I can see her sitting on the couch in front of the window when we would come in from school. Cheryl and I were school mates and San was our babysitter. I want to thank the Carradine family for being there for me. God bless your family thru this difficult time. My prayer is that God will give you strength to face the difficult days ahead. Much love to you all.

“ To the Carradine family we extend our condolences in this hour of grief. Know that the Lord who is sovereign, has made a place for his child whom He has called home. Sister Carradine was a friend and mother to many. She enriched our lives and it has been a blessing to know her. Proverbs 31 clearly speaks of a woman such as her. May the Lord continue to comfort you. The Cagers

“ Dear Uncle Grant and Family
My brothers and I give our prayers and sympathy for the family that we love. This is a major loss, Aunt Willie will be always known as the Icon of the family, who represented peace, family togetherness and in my own words, the fashion diva to our generation, but I want you all to know that Aunt Willie and the family it never a thought out of our minds and we think about our family all the time.

Love,

Gina, Reggie, and Troy
