“ *One of my favorite high school buddies growing up in Flint. I really enjoyed when he came to visit me at EMU. After his visit, I recall getting a special request from some young ladies to "bring Willie Back". Willie you were always so humble and likeable. I admired your smooth jump shot and handles on the bball court too. See you again when the meek inherit the earth.*

My brother it has been years since I last seen you. I moved to California and didn't get back to Flint much. But growing up as kids I remember spending Quality time talking about our future in the NBA and NFL. You were always kind and gentle spirit. You home now. Our Lord is smiling at you! Will see you again one day. Love you Brother.
