“ Losing a love one can be heartbreaking .I know because I have
Been through it. You know the Bible holds out hope for our love one.
John: 5:28 29 helps us to appreciate that Jesus talks about a
resurrection. That will be a wonderful time to be able to see our love
ones again, and you can too. The Bible says: "The righteous
themselves will posses the earth and they will Reside forever upon
it."psalms 37:29. Jehovah's promises always come true.
