“ To the Davis Family;

A mother's love is so precious it can never be measured. In this time of loss and overwhelming grief, the Lord is with you. He has taken your angel away who was there for you for so many years. God has called her home to a life eternal in his loving care. " The Lord is close to the brokenhearted; he rescues those whose spirits are crushed"

Psalm 34:18

Be comforted by God's grace; as you remember her smile, her love, and her spirit that will watch over you forever.

“ I'm going to miss you so much Muda, you were my world! I was so blessed to have you as an grandparent, you were the best!! The pain is real and it really hurt. I never could picture my life without you but I thank God for allowing me to have for 32 years. You were an awesome woman that served an almighty God!! Your memories will forever live with me. I'm in so much pain and I don't know what to do besides pray, I feel so empty inside since you left me. I'm glad you not suffering anymore and I thank God for that. I will eventually be ok just know you will always be my "girl"!! I know you looking down at me saying "what are crying for, I'm ok"! I know you are, you home with all your loved ones. Just continue to watch over me and you're my angel now!! I loved you so much, words couldn't explain. I will miss dearly. I love you!!
