“ *We are sorry for your loss.
Willie, was such a great person, he will live on in our memories forever.
I remember when he & I were growing up in Arkansas, he was only 6 years older than me, but he always treated me like a little brother. He had to be a good friend an a great person to let me, an inexperienced 12 year old drive his 1st car.*

Gail and I will also be forever grateful to Willie & Naomi for allowing us to spend our 2 day honeymoon at their home in Michigan.

*Love always,

“ Uncle Willie will be remembered to me as a blessing to his family and friends. Too Debra, Doris, Louise and Louis and my precious Aunt Chris you all are constantly in my prayers. May it help you to know there are many who are sharing in the loss of this very special life. I am thankful for the example of unconditional love he displayed towards this family. His personal relationship with God was always acknowledged. He would offer his council if you had an issue. He was supportive, responsible, dependable a good father. A man of wisdom and a strong work ethic. In my memories I see his smile and hear laughter. And the light from the sun that was shining on his face the last time I saw him. Hearing him say to me "girl you know I love you!" And my responding "I love you too Uncle Willie!"

To My Family you are in my thoughts and prayers.

Sincerely,
JoAnn
