“ *I would like to extend my condolences to the family of Willie Miles.*

I would also like to share a brief scripture with the family taken from John 5:28. Jesus states: "Do not marvel at this for one day all those in their memorial tombs will hear my voice and come out".

This scripture offers a hope for our dead love ones and has brought me much comfort and hope. I hope it does the same for your family.

Again, please accept my condolence and my thoughts and prayers are with you.
