Dear Family of Willie Miller, I love the photo of Willie you all chose. It reminds me of the last time I saw him in the 70's. Willie was good friends with my eldest brother way back then. Remembering. Praying. Smiling.

An idle moment at work came about so I decided to visit this site. I am happy so many have fond memories of my father. As my brother said its truly a testament to who he was and what he meant for so many he touched. Coming up on 1yr and its clear there will never be a day I dont think on his time with us.
