“ Sister Brenda, my family and I are so distressed to learn of Brother Willie's passing. We all know that he is in his mansion that he so often spoke of. He was a good Christian man. He will be sincerely missed. We will be praying diligently for you, that God will lighten your heart, and if there is anything we can do otherwise please don't hesitate to call.

“ What is there to say about Willie. He was a student of the Gospel and strived to live right. Willie never gave up. He knew that when God was ready to call, he would have to answer. He did not accept what man said about his illness, but listened to God. He and Brenda LOVED one another as a husband and wife should.

Brenda, you took such good care of Willie that I know you will see him again. Don't be too sad or grieve too long, because Willie's suffering is over. His earthly remains have been left behind and he has had a healing that he has prayed for these past few years. He is healthy now and able to study the word right from the Source.

Know that we love you and we will be there for you. May God bless you and keep you during these difficult day and nights ahead.

Love

Sandy, Johnny, Valerie, Nedra and Lisa.

“ Brenda ... I am so sorry to learn about Willie. The two of you were a great couple. I always enjoyed seeing how sharp the two of you looked when you dressed alike. He was a great supporter of the Sisters of Harmony, but I also enjoyed his singing. Put your trust in God. Revelation 14:13 Blessed are the dead who die in the Lord. You are in my prayers.

Love you

“ ?Do not let your hearts be troubled. Trust in God; trust also in me. In my Father's house are many rooms; if it were not so, I would have told you. I am going there to prepare a place for you. And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am.? John 14:1-4

We, the members and Leaders of the Kingsley Terrace Church of Christ want you to know that we are praying with you and praying for you during this time of your bereavement. Lean on the Lord, and He will comfort you in your hours of need. May God bless you and continue to strengthen you in the days ahead.
