“ *To the entire family of Willie, especially my friends Della and Tisha, you have my most heartfelt sympathy. I know my words cannot heal your hearts and the pain you are going thru, only God Almighty can do that. So I will keep in touch with him to ask him to show his mercy on you as He has for me many times. Because I learned that time does not heal ALL wounds, but our Heavenly Father can stitch you up faster. So I will keep you in my prayers as you say Goodnight to your loved one. Rest In Paradise Willie.*
