“ *I happened to peruse through the obituaries looking for someone else, and found Mr. Pitts obituary. I am deeply saddened to know that he is no longer here with us. When we were in high school, Willie and I were very good friends. I hate that I missed out on his memorial service, but I hope that the family knows that he was a truly great person. I will miss him dearly.*

“ To the Pitts family know that our brother, son, uncle, cousin, and friend has been called home by our father. Yes we loved him and will miss his early spirit, but God loved him best and called on him to take his rest. My prayers are with you and to you "RAY-RAY" may you rest in peace.

“ we have all lost a great friend and a very compassionated person who had a big heart. When I became ill Willie helped care for my grandson. He step in what ever his needs were he did not complain, I could always count on him. MY Prayers are with the entire family. Sister Melinder, His mother, who is a faithful and active member in her church, can be proud of the man that she raised him to become.
