“ *As time go by I will still want you here,
Although God had to take you home I wish I had the chance to hear
your voicee again,
Tears may be shedded but the joy of knowing you are no longer in
pain will ease my pain,
I know you will be happy to see both your father and God once
again,
But your family on earth will always love you and miss you dearly.*

Love you always Uncle Wille (Wild Bill)
