“ *I would like to say I am sorry for your lost. I never had the pleasure of meeting willie, I've only had the pleasure of talking to him. I sent him a picture of our family. He was my brother n law and his brother willie and I tried to get him to visit by sending him a ticket but.... He couldn't . I hate that I never got my chance to meet him and now he is gone. To the family I hope we could come together bcos I want to know you all. He was so opened to chat and called me short and fat lol. Be strong. We just found out about his death today. Sorry.*
