“ To my dear friend *WillLee," I am saddened to hear of your passing. We all know that you are in a better place but your departure from this earth will leave a lot of loved ones with heavy hearts. I pray that God gives all those that loved you peace and joy during this time of sorrow. We had such a good time growing up in our neighborhood. How I remember our weekend parties with the blue and red lights, watching our neighborhood boys playing football and go-kart racing. Remembering how we would get together and make up dance steps (Ain't Too Proud to Beg - Temptations). We got in so much trouble walking home from Holmes Middle School instead of catching the school bus. I will cherish these memories forever and ever.
