“ *I was very sad to learn about the passing of Willie and my deepest condolences to his family. I had the pleasure of working with Jim for several years at Bill Carr Sign Co. in 1980s. He was always positive and told a great story or a joke. He left you with a better feeling after talking together everyday. He truly was a memorable man and I will always have good memories of him. May God bless you and give your family comfort during this difficult time.*

“ *Wishing you strength and comfort through this difficult time. My thoughts and prayers are with your family. - Deanna Brown*

I knew Mr. Woodard when I worked in Flint off from Linden Rd. - he used to come in and pay his premium each month. Several times my children were there when he would come in and he would tell them jokes and stories. He was such a bright and joyous light whenever he was around. I am so sorry for the loss of his presence, he truly was a memorable man and my heart is heavy learning of his passing. May God keep you and yours through this tragic and sad time.

Willie James and his family lived down the street from us here in Tupelo. He was a great person and our school's star running back at Carver High School. My condolences to his faint as I know he will be missed.
