“ How can you break a heart that is already broken.. Willis in this time I choose to only think of the good times we shared, the laughs, the fun and most importantly our childhood. I am oh so very sadden that you are not here with us, its unimagivable how much you will be missed. My deepest condolence and prayers for your family, and "the brothers" Dean and JJ, my love and hugs are sent to both of you. I love you both so very much and please know I wish I could be there as we say good-bye to someone we all love very much, and to love on you guys. My prayers are with you; as the days, months and years ahead will definitely be different, but I will be there every step of the way, even if only in prayer. I love you guys, be encouraged!
