“ *It is with heavy hearts full of sorrow that we bow in humble submission to the will of our perfect and sovereign God who does all things excellently and well and who never makes mistakes. We have loved Wilma, J.C., & Brian like family for over 50 years!! We stood with Wilma and J. C. When they wed, we shared the joys of pregnancy & parenthood together as our son Paul and their son Brian were in the womb at the same time. We shared so many precious moments over the years: family meals together, holiday celebrations, game nights, countless phone conversations and visits that we never wanted to end. But, now that God has called our dear Wilma home, we will have to wait until that great day when we will be reunited in our eternal Heavenly home. Until we meet again, Wilma, we will continue to cherish our fond memories and we will continue to love and offer comfort to J.C. and Brian in whatever ways we can. Rest in peace, my dear, long-time friend. I will miss you every day, but I know I will see you again soon. With sincere Love & condolences,*
