“ My sympathy & prayers go out to you and your family. So painful is losing a mother, as I lost mine at age 60 in 2002. Prayers from others was so helpful during my grief, as was the Lord's arms around me. Know that I am thinking of you and yours during this difficult time.

“ TO my family, you have my deepest sympathy. It was so strange the way I found out. I was conversing with my best friend online and I had brought Winnie up because we were discussing CHF. While I was writing her I took a break and I went to Moon's site and there was her name. A lot of times when people say "I was just thinking about you " it's not always true, in my case it was. My Mom and I was at the red flashing light on Carp and Jenn Rds Monday and my Mom asked me if I had talked to Winnie lately then she said we need to go and see how she's doing this the weekend, I had to tell my Mom and my Aunt Katie about Winnie's passing it was indeed a shock to us. There has been plenty lately as you all know. My prayers are with you all and I will see you soon.

“ Kim and family, God is well able to lift your heavy hearts and strengthen you. My prayers are with you and your family.

*"And may your shadow always rest in calm and peaceful places."
Psalms 23.*

Be Still

*Be still like the grass on a melancholy summer day
Be still like desert shrub*

Be calm and you will hear your loved one speak, in stillness, in the calm, their love resounds.

If you are still this promise I make, you will hear the voice of your loved one helping you along your way.
