“ *I would like to express my condolences to the Johnson family. I had the pleasure of meeting both Mr. & Mrs. Johnson while working with their grandchildren at Merrill Elementary School. I also went to school with Chris. Mr. Johnson was a very nice man that I enjoyed talking to when he came to the school or when I had to call home about one of the children. As for the family members that are left behind, you all should treasure the memories that you were able to share with him because as we all know...tomorrow is not promised.*
