“ *I want to express my deepest sympathy to your family for your loss. My heart goes out to you. I found much needed comfort from a promise in the bible I hope it offers comfort to you. It is found in the book of Revelation 21:3-5. Soon our Creator will eliminate the enemy death (Isaiah 25:8) and will bring our loved ones back to us. (John 5:28-29)*

“ *Yolanda*

I met you many years ago when you were with your mom. It was at CVS. Your mom Brenda and I go way back. I know it took a lot out of you when she went home to be with the lord. One good thing about you leaving is that now the both of you are in heaven and spreading your wings and flying or walking around heaven all day. Those you two have left behind I will keep in my prayers.
