Miss Yuanna was a wonderfully strong woman who was never going to give up to the monster of Cancer! She fought like an amazon and from out conversations I could tell how much she loved being with and spending time with her family! She had a beautiful soul and her smile could light up a room! I just wish I could have had more time with her! My deepest sympathies are with her family and friends. Sending prayers for peace and comfort during these difficult times. I wish I could have come to her funeral. With much respect...Terri Hawk RN
