“ My love, thoughts and prayers are with you guys! I been with your family for over 20 years and I'm blessed to have known Ms. Yvonne and see her jazzy swag and blunt personality! She would say the things that the next person would think but not have enough courage to speak. I watched her as a wonderful grandmother to my best friend even as my friend became an adult....I would think that's how grannies suppose to be...spoil you"! My prayers are with you my family and I know the Lord is providing you with every inch of strength you need! I love you guys and Rest Beautifully in Heaven Ms. Yvonne
