“ *Gutierrez Girls is what I always refered to when refrencing the sisters. First and foremost I would like to say that Ive been blessed to have know the Gutierrez family for over ten years. Even though I was never really clost to even and best friends with her younger sisters she never treated me any different. There are a few thing that I will always remember Yvonne by is her funny sense of humor one and secondily how nice she was to me. If I came by to visit Cynthia and or Valarie she was always inviting and concerned and made me feel at home. Yvonne will truly be missed. I am truly blessed to have had the opprotunity to have known such a caring, fun hearted, and loving individual. To the Gutierrez sisters and mother I love you all very much. If there us anything more that I can say is just to trust and believe in God and he will give you comfort and peace. Take care girls and I will see you soon.*
