“ There are soooooo many that I have of Ms. Royster working with her in the office for almost 5 years. Many laughs, life lessons, more laughs, special moments shared that will forever be cherished. She was that person in the background supporting and pushing me, as I did the same for her. She will be missed for her sarcastic, funny, and sweet humorous jokes that play on and on in my mind. There is so much that I can share, but it's rest on my work friend/sister. Continued prayers for her children, family, and friends. ✨💖🙏💖
