“ To the Family of Zelma Traylor:

*I would like to offer my condolences in the loss of your mother, daughter, sister, aunt, and friend.*

*I met Zelma, about five years ago, when I began dating her nephew Rafael (Poochie) Murphy. She made quite a first impression after our first introduction to one another. I will always remember Zelma as being full of life...she never knew it but, I also admired her confidence. She definitely commanded attention when she entered a room...especially at a card table:-)*

*To lose a loved one is always painful, however we will always have our sweet memories of Zelma and the promises of Jesus to give us peace that passes all human understanding to sustain us in times of grief. Lean on Him for His grace is sufficient.*

*Love Always,  
Koya, Rafael, Keyocia and Jhanay*
