“ *To the mourning family of baby Zyariah, I am so very sorry that you have to mourn such a young life that hadn't even gotten started yet. It is so unfair to have to deal with such a lost. My heart goes out to you and your family. The bible says at Isaiah 25:8 that Jehovah God will swallow up death forever. You may not understand this right now. But please know that he is watching and he do not like that we all have to suffer like this. Think about this for a bit when you feel you just can't go on another day, Psalms 55:22 says Throw your burden upon Jehovah And he himself will sustain you. How will he do this? Isaiah 41:13 says For I, Jehovah your God, am grasping your right hand, the One saying to you, 'Do not be afraid. I myself will help you. To know further about this and many other questions that you may have please refer to jw.org.*
